EVENT PROGRAMME

Exploring solutions for a sustainable future
and a happier, healthier world

Saturday 8th November 2014 at Trinity Centre, Bristol BS2 0NW

www.futurenow.consciousfrontiers.com

Tim Freke

The hip 21st Century sage is a respected authority on philosophy, world religions and global spirituality and the author of more than 30 books including a top10 international bestseller.

Joe Hoare

The renowned laughter therapist, 'Laughing Yogi' and author teaches the practice of laughter as a tool to powerfully retrain the brain and generate mindfulness, happiness and inner calm.

Peter Owen Jones

The maverick 21st Century priest, spiritual explorer and TV presenter - renowned for programmes like *Extreme Pilgrim* and *Around the World in 80 Faiths* - is a pioneering ecological thinker.

Satish Kumar

The former Jain monk, celebrated 'Earth Pilgrim' and environmental activist has been editor of *Resurgence* magazine (now called *Resurgence & Ecologist*) since 1973.

Chloe Goodchild

The international singer, sacred sound pioneer and Director of The Naked Voice Foundation, facilitates the transforming practice of self-awareness and conscious communication through voice.

Future NOW Charities/Causes

50% of the proceeds from Future NOW will be donated to the benevolent charities/causes of the keynote speakers: The Resurgence Trust, The Life Cairn Project, The Naked Voice and The Alliance for Lucid Living, all of which further the event's aim to create a happier and more harmonious future for our planet.

Thank you to our Partners...

We are grateful to our many benevolent partners and supporters that have helped to make FutureNOW happen. Special thanks to...

Huge thanks to our wonderful, talented and generous designer Harman Hussin at Eyeslolly, who has donated his services to the FutureNOW cause, beautifully designing the logo, website, flyers and other promo materials. We warmly recommend him. Eyeslolly also specialise in photography and art workshops.

www.eyeslolly.com

We are delighted Particle Productions are supporting us with filming the FutureNOW talks and presentations which will be available on the FutureNOW website and the Conscious Frontiers YouTube channel soon after the event. Particle Productions specialise in video internet marketing and environmental filmmaking, working with organisations who are contributing towards a sustainable, greener future.
